RE: Application for IT Support Intern

Dear Ma'am/Sir

I am writing to formally express my strong interest in the IT Support Intern position at Sample Technology Solution Inc. With over 2 years of progressive experience delivering high-value results in Web Developing, I have cultivated a robust skill set in strategic planning, team leadership, and operational continuous improvement that directly aligns with your organization's mission and current objectives.

CORE COMPETENCIES

EDUCATION

BACHELOR OF SCIENCE AND INFORMATION TECHNOLOGY 2026-2030

CERTIFICATIONS

- MICROSOFT SPECIALIST – 2024

Throughout my professional journey, I have successfully spearheaded initiatives that enhance performance standards and organizational efficiency. In my most recent capacity as Store Auxilliary at ALFAMART, I led key projects that yielded measurable advancements, including Best Employee .This experience strengthened my capability to manage complex stakeholder needs while maintaining precise alignment with executive strategic targets.

Key Qualification Highlights

- **Core Capability:** Proven capacity to design and execute scalable operational workflows.
- **Leadership:** Experienced in driving team performance, accountability, and professional growth.
- **Alignment:** Demonstrated history of fulfilling strategic deliverables within strict timelines and budgets.

Thank you for your time and consideration of my candidate profile. I welcome the opportunity to discuss how my professional background, technical competencies, and proactive drive match the goals of Sample Technology Solution Inc. I am available at your earliest convenience for a formal interview.

Sincerely,

NICOLAS ROSELLE DG ABANCIO

Enclosures: Resume, Job Preference Profile, Integrity Note
